**JIO PARTNERS WITH AEROMOBILE TO LAUNCH INDIA’S FIRST IN-FLIGHT MOBILE SERVICES**

- *JIOPOSTPAID PLUS USERS FIRST TO GET VOICE & DATA IN-FLIGHT*
- *24-HOUR PLANS STARTING AT ONLY ₹ 499*

**Mumbai, 25<sup>th</sup> September 2020:** Jio and Panasonic Avionics Corporation subsidiary, AeroMobile, have partnered to launch India’s first in-flight services for **JioPostpaid Plus** users. Jio’s in-flight service will allow **every Indian traveller travelling abroad, to stay connected with voice and data services on a flight, at affordable rates.**

Currently, the in-flight services will be available to Indians when they travel abroad. Once the services are available in the Indian airspace, all Jio customers will have **first access** to them, so that they are connected even on flights within India.

As the first Indian operator to launch an in-flight roaming bundle, this proposition further cements Jio’s position as a market innovator and a technology leader, with a highly competitive offering that brings more value and greater experience for its nearly 400 million strong user base.

**Mr. Akash Ambani, Director, Jio,** says: *“JioPostpaid Plus brings with it industry-defining and highest-quality user experience, and through our partnership with AeroMobile we will now offer in-flight roaming services at an attractive price. We are delighted to bring this new service to our customers, who will be able to enjoy seamless, high-quality and secure roaming at 20,000 feet, keeping every JioPostpaid Plus user connected, always.”*

**Kevin Rogers, Sr Director Mobility Panasonic Avionics, CEO AeroMobile,** adds: *“We are pleased to partner with Jio, and broaden the reach of our connectivity services across India. With the new in-flight roaming bundle, JioPostpaid Plus customers no longer need to worry about connectivity whilst traveling. This new market-leading proposition shows continued commitment to providing the very best service to customers.”*
